ATA dinner and dance welcomes new teachers - honours Mrs. Blair

The Induction Ceremony arranged Saturday by the ATA Local covering both school districts in St. Albert was particularly fitting this year, when the teachers just entering the district were recognized, and a teacher with 37 years of teaching service was also honored. The example of Mrs. Cecilia Blair, and her enthusiasm for her profession must have been encouraging for the young inductees just beginning their careers.

"Patience and humility are the two qualities I would name as most important for teachers," said guest speaker Mr. Murray Jampolsky, president of the Alberta Teachers Association. Patience is needed because the rewards of your profession come later, rather than day by day. Humility, he said, means also being yourself - be honest and don't play roles, for the young people will see through it. Mr. Jampolsky also reminded the inductees that "when the tongue is good, there is nothing better, but when it is bad, there is nothing worse." He went on to say that teachers can be proud of what the ATA has accomplished, despite differences with school boards and sometimes bad press. The government and the universities consult us, and we have their respect. He asked them to take the trouble to find out what the ATA can do for teachers and to get actively involved in it. "I can think of no other profession which is granted more respect" Mr. Jampolsky said, and people trust us with their children.

Following introduction of the new teachers by their principals, inductee Don Bliss led the others in the pledge.

Master of ceremonies, Mr

Pat Glen, introduced guests of the ATA, including Mr. Jampolsky, Mr. Miller, board members Dave Fraser and Don Labelle of District #3, and their wives, Superintendent Vince Maloney and Mrs. Maloney, Mrs. Dixon, president of Local 66, Ernie and Shirley Jamison of the Gazette and Mr. and Mrs. Allen Blair.

New teachers inducted were:

PAUL KANE - Wallace Anderson, Lois Beatty, Alan Edwards, Bryan Hilebert.

ST. ALBERT HIGH - Lucille Belzil, Diane Stoutenberg.

SIR ALEXANDER MACKENZIE - Linda Churche, John Osgood, Mary Chapman, John Bliss, Darlene "Peachie".

SIR GEORGE SIMPSON - Dianne Christensen, Lynn

Joberg, Margaret Tobey, Carol Hookway.

VITAL GRANDIN - Daniel Bouwmeester, Leo Bruseker, Yolande Cadrin, Eric Kaluzniak, Angus Mackie, Marc Prefontaine, Tom Scott.

Mr. Fraser also presented Mrs. Blair with a long term Service Award in the form of a handsome wooden plaque in scroll design, with an engraved plate commemorating her years of service to the trustees of District #3, and carrying with it a cash award. Mrs. Blair became the first recipient of the cash award, a recently established policy for recognizing 20 and 30 years of service by a teacher. A beautiful book "Canada: A Year of the Land," produced by the National Film Board was a

Noted speaker will address consumer group

"Family Budgeting" will be the subject of guest speaker, Mr. Ken Weeres, at the October 23 meeting of St. Albert Action Committee of the Canadian Consumers Association. The meeting is being held at the Clubhouse on Grenfell Ave. at 8 p.m.

Mr. Weeres, who makes his home in St. Albert, is Assistant Professor of Business Administration at the University of Alberta, and will be known to many as the author of the book "Dollars and Sense," used in high schools, and through his newspaper column "Your Dollars."

The organizing committee began work last January and applied for Action Committee status under the Consumers Association which they received prior to their May meeting. From slow

beginnings with eight interested residents they are working towards a broadly based membership of St. Albert people interested in the many facets of consumers affairs, which have a very large scope.

Mr. Weeres is well qualified to speak on a subject of considerable interest to nearly everyone, and the committee is hopeful that a good number of people will take advantage of this opportunity to hear him.

Const. T. D. D. Jette of the local RCMP detachment had a pretty tough job keeping local citizens from re-entering the scene of the Mock EMO Disaster. This lady, though only acting, put up a valiant struggle while crying that she wanted to get into the arena where her 'baby' had been injured.

Mr. D. Hunt, inhalation therapist at the Sturgeon General Hospital is seen affixing an oxygen mask to the face of this victim which Mrs. Gates, nursing co-ordinator gives the patient a close scrutiny. This patient, by-the-way, was suffering with very realistic burns and concussion from the mock blast which had pulled one eyeball out of its socket. The gruesome injury was shielded by the cotton swatch resting on the patient's face.

Mock EMO 'Disaster' Tests Local Facilities

Critically injured high school students, frantic adults, screaming mothers and bustling volunteers set the stage last Friday (the 13th) for a mock disaster situation which went off quite smoothly and graphically illustrated to Emergency Measures Organization executives how well St. Albert can cope.

Although the whole exercise was 'make-believe' it had the flavor of the real thing. St. Albert Emergency Measures Organization Co-ordinator, Mark B. Stage of 56 Grandin Village, in an interview following the exercise, said "we're very pleased with the results of the exercise and feel that we've given local facilities a good enough test to now be in a position to assess St. Albert if a real emergency should occur."

Through the initiative of the local co-ordinator and in co-operation with Barny

McNally, officer in charge of the EMO Northern Zone and Cliff Keyes of the Sturgeon General Hospital, the plan was conceived whereby a mock explosion was supposed to have occurred in the local arena. The victims were 40 volunteers from Grade 12 of the St. Albert High School who were made-up by EMO artists and given some training in acting realistically like victims.

In addition to the victims, EMO personnel recruited litter bearers, traffic controllers, security guards, messengers and home economic students to take part in the whole affair.

The idea behind the whole exercise was to sound the alarm of the mock explosion at 1 p.m. Friday with 40 badly injured victims lying around the arena and see how long it would take to get those victims to the Sturgeon General Hospital for treatment. The test also brought the RCMP into the act to keep panic-stricken parents from entering the scene of disaster, direct traffic while volunteer vehicles transported victims to the hospital and simul-

aneously carry out normal policing of the town and area.

Through the co-operation of Town Council, town employees were recruited, with town and personal vehicles

The Gift Of Life

A Red Cross Blood Donor Clinic will be held next Tuesday, October 24 from 6:30 to 9:30 p.m. in St. Albert Community Hall. This is the fall clinic sponsored by the CWL.

Brigitte O'Kell of the CWL reports that blood banks have been at a crucial low, and it is almost imperative that each resident in every community, who is able to do so should try to give the "Gift of Life."

The League asks people of St. Albert to mark the date on their calendars, and promises "You give us blood and we'll give you coffee."

Charette Platform For 450

Charette in French means vehicle and the Charette held in St. Albert last week from Tuesday, October 10 to Saturday, October 14 proved to be exactly that... a vehicle through which people could and did convey ideas.

During the five evening sessions the Charette was held, an estimated 450 persons took part in the wide range of discussion topics. These ranged from community use of facilities, curriculum, transportation and safety in day-care centres, sports and so on.

Using the facilities at Sir George Simpson School, Charette participants were free to circulate from group to group, speak-up if they wished or remain silent and

listen if they chose to do so. Several topics were under discussion simultaneously, every evening thus giving everyone a chance to contribute ideas on familiar topics or listen while ideas were being expressed.

In The Gazette next week, we hope to be able to publish a complete resume of the Charette findings, including a few pictures The Gazette staff and owners took while attending this five-evening event.

Don Munro and his team of workers, responsible for this social experiment indicated that input, as reported at each session will be made available for publication but a definite release date has not been set.

Political Forum Thursday

The stage is all set for Thursday night October 19 when candidates representing four political parties, contesting the Edmonton-West seat will meet in an open forum.

The event, sponsored by the St. Albert and District Chamber of Commerce and staged at Club Mocambo, is primarily designed to give federal political candidates in the Edmonton-West riding an opportunity to meet the very same people who ultimately have the final say in the contest. Voters of

Edmonton-West who wish to hear all about current issues being debated across Canada and who wish to question any or all candidates, are welcome to attend this very important function.

The four candidates running for the federal riding of Edmonton-West (which includes St. Albert) are: Hurlig, Mel (Liberal); Lambert, Marcel (Progressive Conservative, incumbent); McLeod, Don, Social Credit and Packer, John, New Democratic Party.

Study proposed by CCC

A world-wide study of the family has been proposed by the Canadian Catholic Conference as a topic for the next Synod of Bishops in Rome.

The suggestion is based on a survey of Canada's Catholic Bishops' members of the CCC, made earlier this year at the request of the general secretary of the Synod, a body that meets at the request of the Pope.

There is no single pattern or model for the family throughout the world, the CCC proposal notes. Con-

sequently, to portray family life on a global scale, "a panoply of miniatures would be required," to form an inventory of the various customs, cultures and civilizations, region by region.

"The results of such a vast inventory could then be analyzed, discussed and studies for (1) similarities and differences across all cultures today, and (2) evidence of how distinctly Christian insights shape, influence or in any way impinge on family behavior.

The proposed Synod study of the family "would call for a new type of Synod, not of the Bishops alone but involving couples and other family members from all nations, as well as specialists of many disciplines."

The proposal sketched a CCC plan for a family study-

in Canada.

"Information," it said, "would be drawn from and about not only Church members but all Canadians regarding such areas as

*Canadian perceptions and values in male-female relationships.

*The situation of children in Canada.

*Environmental and social conditions affecting family life.

*Major sources of the ideas Canadians have about family life.

*Church and non-Church programs for family members."

Material from such a Canadian inventory of family situations would be available for analysis and discussion by couples, other family members, all Church members, and others.

ATA Dinner

Continued from page 1

personal gift from the Board as well.

Mr. John Curilla, president, presented a gift of very beautiful cups and saucers to Mrs. Blair from ATA Local #66, and Mr. Irv Miller, on behalf of this ATA zone, presented Mrs. Blair with a framed certificate, and Life Membership, in "grateful recognition of her years of service and her contribution to the youth of this province."

In thanking the Board, Mrs. Blair said "you couldn't find a better group - they back you in anything you want to do." She also had special thanks to Mr. Vince Maloney, superintendent, "who was wonderful through all the years," and to all the teachers she taught with. She expressed her gratitude to the local and provincial ATA associations as well. "I enjoyed all my teaching years immensely - and won't ever forget" said Mrs. Blair in conclusion.

An evening of dancing followed the dinner and program at the Purple Dude, enjoyed by a large turnout of teachers and guests,

Mrs. Cecilia Blair with the wall plaque and clock presented to her Saturday night at the ATA dinner-dance by Dave Fraser, chairman of St. Albert District #3 school board. In addition to the many gifts and honors bestowed on her that evening, Mrs. Blair was also given a beautiful silver tea service at the end of the school term by St. Albert High School, and the original school bell from the old high school built in 1903. She began her teaching career in a little one room school at St. Edouards, near St. Paul and went on to serve for 37 years, breaking only for six years when her daughter was born.

EMO Disaster

Continued from page 1

to assist with the many duties involved in the exercise. Citizens, driving by the scene of the disaster were also recruited to rush 'victims' to the hospital, this was all part of the scheme to get the general public involved and thus not rely on ambulances.

As the victims were ushered into the Sturgeon General Hospital's main entrance, (the emergency entrance was kept free for 'real' victims if needed), the injured were met by an efficient team of eight doctors and eight nurses. As the stretcher-bearers set their victims on portable stands, a doctor immediately set to work diagnosing the patient's condition. Injuries were categorized, patients were tagged and quickly brought to the proper emergency area within the hospital for treatment.

Few words were exchanged between performers, excepting clipped phrases like: 'name...burn...laceration...shock...tagged...go' and so on. The exercise was moving along so smoothly despite the rapid-fire arrival of victims that nobody could detect that all this was 'just a dry run'. Medical teams didn't smile, the victims were groaning in make-believe pain while others faked shock so realistically that they should be given academy awards.

A 'post mortem' was held immediately after the last victim reached hospital. Attended by medical and administrative staff to the Sturgeon General Hospital, and EMO executives, the 'post mortem' was to determine all aspects of the exercise. Behind closed doors, officials involved put the whole exercise on the table and discussed every aspect of it. Weak areas will be rectified, other problems which arose during the exercise will be streamlined in the future. Once the entire adventure had been discussed Mr. C. Keyes, hospital administrator said, "it (the exercise) showed us our strong points and our weak points and thus proved to be most beneficial."

Barry McNally, officer in charge of the EMO Northern Zone termed the exercise "a real good one." Mark Stagg, local co-ordinator had only praises for local volunteers and Sturgeon General medical teams. He also extended a special bouquet to the students who participated. "They did a marvelous job," he said.

S.A. Joins Tourism Association

The Land of The Mighty Peace, designated as Zone 8 in tourism circles and covering about one quarter of the Province of Alberta, will become three distinct zones soon.

At a regional meeting held here last Sunday, representatives from major centres within the newly-created zone which will include St. Albert, boundaries of our area were designated and an interim executive was elected. The area, which will be given a zone number and a distinctive name includes St. Albert at its southern threshold, North through Athabasca, West to McLennan and back to St. Albert via Swan Hills and Barhead.

In attendance at the Sunday meeting, held in Council Chambers here, Mayor Ray Gibbon welcomed delegates from Barhead, Athabasca, Slave Lake, High Prairie, McLennan and Canyon Creek. Also present from St. Albert were Gerry Belke, presi-

dent of the Chamber of Commerce and Harry Hutchings. From Edmonton were Art Clough and Peter Walls.

Interim executive of the newly formed tourist association for this region, tentatively called "Midnight Twilight" include: Bob Armstrong, Athabasca; president; Phil Heather, Slave Lake, vice-president; Ron Savage, Canyon Creek, secretary-treasurer plus 13 directors.

Since this was an organizational meeting, and a complex one at that, many points still remain to be hammered out. Nevertheless, delegates seemed satisfied with the general structure of the new association, its boundaries and executive.

Developments will be announced as they are made through the co-operation of Gary Johnson of Slave Lake who promised to issue press releases to regional newspapers in order to keep residents living within the zone well informed.

Town of St. Albert

PUBLIC NOTICE

Nominations continue to be open for persons who may wish to serve on this board. Please notify the undersigned, in writing, to be received by him, not later than 8 p.m. October 20th.

REV. LEONARD J. MUSTO, 3 GRANDIN PLACE,
CHAIRMAN, NOMINATING COMMITTEE,
PREVENTIVE SOCIAL SERVICES BOARD

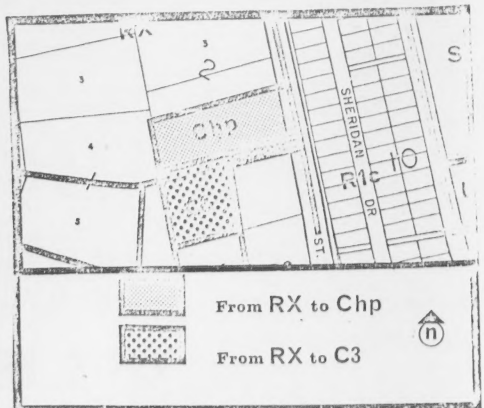

Town of St. Albert

Notice of Public Hearing

The Council of the Town of St. Albert having been given authority under Section 119 of the Planning Act 1970 R.S.A., as amended, to control development within the boundaries of the Town of St. Albert by zoning, will hold a public hearing.

The purpose of the hearing is to rezone the westerly half of Lot 6 and the southerly 20 feet of Lot 5, Block 2, Plan 2204 H.W., presently zoned Residential Comprehensive (RX) to Highway Commercial (C3); and the northerly 210 feet of Lot 5, Block 2, Plan 2204 H.W., presently zoned Residential Comprehensive (RX) to Hotel Parking (Chp).

From RX to Chp

From RX to C3

The proposed Bylaw #52/72 may be examined between the hours of 9 a.m. to 4:30 p.m. at the office of the Secretary-Treasurer, Town Hall, St. Albert.

The public hearing will be held in the Council Chambers on the 20th day of November, at 7:35 p.m.

Written objections to the proposed bylaw will be received by the Secretary-Treasurer at his office until 4:30 p.m. on the 15th day of November. Objections shall be submitted in writing prior to the meeting, those which have been received before the designated time will be discussed at the meeting before further oral presentations will be recognized.

R. B. Bowen,
Secretary-Treasurer.

Sturgeon Works Budget Dwindles After Busy Year

For the second consecutive month, the council of the MD of Sturgeon managed to wade through the entire agenda during a one-day sitting, held October 12 with all members of the Board present. Also in attendance were John McDonnell, chairman of the Sturgeon School Division along with municipal department heads.

Robert Stack, superintendent of the MD Department of Public Works submitted his report which revealed that to date the municipality has gravelled 244 miles of road at a cost of \$302,136,

bringing the average cost per yard, delivered on the road at \$3.12. The report explains that this gravelling project involved 95,550 yards of gravel. Maintenance costs so far this year, according to the superintendent's report come to \$129,749. Thus, the Department of Public Works' budget of \$789,155 for the current year now stands at \$567,175.00.

In keeping with road work reports, the MD Board was informed in a circulate, memorandum that the Vill-

eneuve north and south road project, consisting of construction, labor, gradework, culverts and so on cost \$60,511. This project, however, having been done under contract for the provincial government, the entire amount of money involved will be reimbursed to the municipality.

The MD Council has given third and final reading to Bylaw 174/72 dealing with the increasing of the speed limit on the Correction Road between Highways 2 and 28 from 50 mph to 60 mph effective immediately. Signs to that effect will be erected soon as work crews can fit this work in their schedule.

The Municipal District of Sturgeon Council agreed to borrow \$100,000 from the bank on a short term basis rather than go to debenture borrowing for improvements to 156 Street and 125, 128 and 137 avenues. In addition to the said amount, the County of Parkland has

agreed to pay its share of the improvement in the amount of \$19,000 which covers their part of 125th Avenue also a portion of 156th Street.

A general agreement has been reached between the MD of Sturgeon and the Edmonton Regional Planning Commission regarding the General Overall Plan of the municipality. No serious points of contention remain to be discussed following a recent and final meeting of the two bodies. It has also been agreed that there is no need for an amendment to the bylaw covering the General Plan excepting alterations be made to the maps and the texts. The minor changes include a strip of land lying along the Sturgeon River between Edmonton and Fort Saskatchewan, zoned country residential and shall become part of the special controlled area.

The annual statutory meeting, often referred

simply to the council organizational meeting at which elections are held, will take place this year at 10 a.m. in the MD of Sturgeon Council Chambers on December 9th. Elections will be held for a Reeve, Deputy-Reeve and various committees and boards.

Secretary-Treasurer Alphonse Nobert read a letter to the council received recently from Dr. Hugh Horner, Minister of Agriculture for the Province of Alberta. The letter states that no further assistance to farmers involved in Bertha Army Worm spray costs would be forthcoming at this time.

Mr. Nobert, in an interview with The Gazette Monday, qualified this issue by explaining that Lannate had been brought in this year at a lower cost than last year, therefore, the final cost per

acre to the farmer is comparable to last year's, even when the \$1 reimbursement was made by the government.

Carl Royan, MD of Sturgeon recreational director reported to council that he had received an extension to the Local Initiatives Program 1971-72 until November 30, 1972. This means an additional \$10,000 is being made available for the recreational fund. New applications for LIP are to be submitted to Canada Manpower for 1972-73 effective December 1st, 1972.

The MD Board has appointed the Sturgeon School Division Board as the body in charge of the Hamlet of Namao water line project. The appointed board will supervise all phases of engineering and construction to the project's successful completion.

Youville Home marks special day

Youville Home residents and staff enjoyed a variety of special activity on Monday to observe the annual day, October 16th, set by the Roman Catholic Church for the liturgical feast of the Blessed Marguerite d'Youville, founder of the Order of Grey Nuns.

She was the first Canadian to found a sisterhood in Canada and the Grey Nuns became famous across Canada, particularly for their service in establishing hos-

pitals. Marguerite d'Youville, who was born in 1701 and died in 1771 established the order in Montreal.

Father L. C. Latour, Chaplain at the Home, celebrated mass in the chapel at the Home at 9:30 Monday morning. At noon the residents and staff enjoyed a banquet, during the afternoon a film was shown, followed by Tea.

Benediction of the Blessed Sacrament in the evening concluded the special observances.

Opening game Friday in new Jr. Hockey League

When the St. Albert Bruins and the U of A Juniors take to the ice Friday night it will be a historic moment for hockey fans on two counts.

A year and a half of meetings, planning, promoting, scheduling and formulating regulations and bylaws is behind this opening game in the new Edmonton Metro Junior Hockey League.

And local fans will see a St. Albert Junior team in action for the first time in the 111-year history of the town.

President Ron Yanosik and Vice President Garth Leask, two local residents will realize a dream come true when the Honorable Marcel Lambert, MP for St. Albert, drops the first puck to officially open the EMJHL.

In a conversation Monday night with Mr. Yanosik and Mr. Leask, both men were very happy and excited that St. Albert was chosen as the site for the league opener. Each believed that the Bruins coach, Rick Le Lacheur has come up with a very competitive team, featuring many local boys and some fine prospects from the Legal-Morinville area. They feel the theory behind the new league will open new opportunities for many fine hockey players who wish to continue in the sport, but

for some reason or other are not capable of jumping direct from juvenile to the Oil Kings.

The main logic behind the league is to make provisions and opportunities for some 120 boys to continue their education while competing in a highly competitive junior B league. The league is of high calibre but low pressure and will keep our junior hockey players at home where the fans can appreciate them. In other words, Yanosik and Leask feel it is not necessary to send our boys all across Western Canada to participate in junior hockey.

"We can assure the sports fans of St. Albert and District, a team that will play, dress and act to a standard they will be proud and pleased to support," said Mr. Yanosik.

Yanosik and Leask look forward to a complete sell out for the opening game. Watching the boys over many long hard practices it's obvious Rick Le Lacheur is a coach second to none. Most knowledgeable hockey men who have watched the practices firmly agree with the way Rick conducts his practice sessions, particularly in the way every minute of ice time is being used.

Rick, an ex-Oil King captain has brought many of the drills that made the Kings

one of Canada's most respected junior clubs.

Coach Le Lacheur feels the club is beginning to round out into a highly competitive team, but is quick to point out that the five other teams will also be in excellent shape.

With Clare Drake, one of Canada's foremost hockey men bringing the U of A Juniors to town, fans can expect a well balanced junior team that will no doubt be near the top when playoffs roll around. Drake's U of A collegiate team has won many honors in the past and his juniors will probably be in the same class.

Le Lacheur is now down to about 22 players for Friday's game, many of which are graduates of the St. Albert Sportshop Baron Juveniles plus some fine prospects from the Morinville-Legal area. Rick has also recruited some of his ex-players from Edmonton where he was a successful coach in the Canadian Athletic Club.

There is a long way to go before the playoffs but Le Lacheur is confident his team will be one of the top four clubs. Other teams participating are Fort Saskatchewan, Sherwood Park, South Side Athletics and Edmonton Comets. The latter team is owned and coached by colorful Len 'Come' Haeley, known to many a hockey fan when he tolled for the old Edmonton Flyers and more recently the Edmonton Monarchs.

Advance tickets for adults will go on sale at the St. Albert Sportshop Thursday morning.

Mr. Albert Hauptman, president of the Bruin Inn reports he is delighted to be able to be associated with the new club as a sponsor.

RICK LE LACHEUR
COACH

The wide smiles of Garth Leask, Albert Hauptman and Ron Yanosik indicate the all-around satisfaction with the arrangement under which Mr. Hauptman sponsors St. Albert Bruins, new Junior hockey club.

Paul Kane Makes Good Showing In Cross Country & Soccer

On Saturday, October 14, Paul Kane High School's cross country team successfully competed in the fifth annual North Central Alberta High School Athletic Association cross country meet held in Sangudo. The North Central Zone meet determines the qualifiers to represent this area at the Provincial High School Cross Country Championship to be held in Bonnyville on October 21.

In Sangudo, Paul Kane's boys team competing in two races over two and one half miles distance beat 10 other high schools to win the Boys Aggregate Team Trophy. Paul Kane accumulated 240 points to Drayton Valley's 227 points and Ardrossan's 214 points.

Other schools competing included St. Albert High, Morinville, Ardrossan, Salisbury, Fort Saskatchewan,

Stony Plain, Sangudo, Hinton and Jasper.

The boys ran in two events: junior boys, 15 years and under, and boys open.

Paul Kane's junior boys were its strongest entry with four boys cracking the top 12.

Paul Kane's girl's squad also showed well but couldn't match a strong team from Ardrossan. Ardrossan was first in the girls aggregate section with 104 points while Paul Kane finished second with 78 points.

Paul Kane teams also competed against 14 city high schools one week previously at the CAHPER Cross-Country Meet held in Edmonton. There the girl's team finished third overall while the boys managed fourth.

The following runners finished in the top 12 in their respective races and will represent P.K. at the Provincial championships

next week.

Junior boys: Rod Gouchey, first; Ross Melan, third; Gary Muzilek, tenth; Mark Raven, eleventh.

Boys Open: Bruce Peguin, third; Girl's Zone Qualifying: Helen Anderson, fourth; Dulcie Page, eighth.

Girl's Zone Non-Qualifying: Wendy Geres, first; Kathy Olson, fifth; Cindy Murray, seventh; Debbie Island, eighth.

Other team members were: Juniors: Dennis Young, Craig Baker, Steve Huebert, Collin Sattich, Paul Oulmet.

Seniors: Helge Brodgesell, Al Doherty, Kevin Galbraith, Tim McLaughlin, Angus Robitaille, Dave Stennie, Richard Tuscona, Doug Eason, Vicky Vaughan, Heather Tomlinson, Kim Moon, Linda Coward.

Last Friday evening Paul Kane's soccer team successfully completed a two game home and home playoff series against Drayton Valley with a convincing 5-0 victory. One week earlier Paul Kane blasted the visiting Warriors 7 - 0. Top scorers for the Paul Kane Blues were Jim Winters with six goals and Terry MacPherson with three goals. Gary Larson earned both shut-outs. Paul Kane now advances to play the winner of the Onoway - Westlock series for the North Central Zone "B" Championship.

Baseball 1972

By Don Keith

The Alberta Baseball Association is the governing body of amateur baseball in the Province, recognized by the Provincial Department of Youth, The Federal Fitness and Amateur Sports Directorate, The Canadian Federation of Amateur Baseball, The Canadian Olympic Association and The International Amateur Baseball Federation.

It is registered under the Societies Act of Alberta. It offers organized baseball competition in the following classes: among others Mosquito, Beaver, Bantam, Midget, which is organized in St. Albert by the St. Albert Lions Club, Knights of Columbus and with some aid from Town Hall. This year there were 24 teams participating in league play. The Midget Division played with the Edmonton League and made a good showing for their first year, winning at least half of the games played.

The playoffs in the other divisions in St. Albert this year had all teams participating in a single knock-out. The Cubs in the Bantam Division continuing through area and zone finals and coming within a game of the Provincial Finals. The league leaders in both beaver and bantam division also became the league champs. The Cubs in the Bantam Division and Whitesox in the Beaver Division.

In the Mosquito Division, the competition was World Series style, between the Totems and Phillies with the Lions almost being the

All is not easy going in a cross-country meet as can be seen in this photo showing members of the Girls High School Open making their way up a rather steep hill on the course. St. Albert's Dulcie Page and Vicki Vaughn are seen in the foreground of the North Central Alberta event held October 14 in Sangudo. Dulcie went on to qualify for the provincials.

Harlem Nationals will play in St. Albert

Basketballs will literally fill the air Friday night, October 27 at Vital Grandin Gym when the hilarious Harlem Nationals bring their brand of magic to St. Albert. Game time is 8 p.m. but plan to be there early to view the pre-game drills of the fabulous Harlem Nat-

ionals. It's no secret that this portion of the evening is almost as entertaining as the game itself.

Tickets are available at the door - \$1.50 adults; \$1 students and children.

The precision-like Harlem Nationals Team is comprised of some of the most outstanding performers in the professional and comic basketball world.

Leading the parade is Eural McKelvy who is regarded as the "Clown

Prince" of basketball. His big 6 foot 8 inch frame moves around the court like an acrobat and his genius for pantomime humor has the crowd in hysterics. He is the best in comic basketball.

Bring the whole family to this entertaining sports event.

"Why should I always have to go to bed at a certain time?" the small boy asked. "I don't belong to a union."

Good Luck!

LETTERS

Reader Agrees With Headline

The Editor:

This is in reply to the unsigned letter published last week concerning the Mothers Day Out Program.

The headline "Volunteers Alienated" was most appropriate since the contents have served to alienate a considerable number of dedicated volunteers previously working on this project and this includes the remainder of the members of the Board of the St. Albert Help Society.

The writer was invited to join the Board of the Help Society primarily to assist in setting policy for the Mothers Day Out Program and it is regrettable that she chose to remain relatively silent at the meeting when the decision was made to advertise for a paid program director.

For the benefit of our community the following facts should be considered in evaluating the need for sound program supervision.

Provincial standards require that Day Care and Mothers Day Out facilities having more than five children be supervised by a duly qualified and experienced person before a license will be issued. The present Mothers Day Out was initiated in May 1971 and volunteer help of this calibre was available until closing for the past summer vacation. The provincial government supervises the program to ensure proper standards are maintained.

The St. Albert Help Society has gained considerable experience in acquiring the skills necessary for social programs over the past four years. Mothers Day Out provides a program where a mother can leave her pre-school family for six hours in the knowledge they will be properly cared for in congenial circumstances.

The past success of the program, held in the United Church basement has been attained by determined efforts of the Help Society and many, many generous volunteers from the community working literally hundreds of hours on this one project.

To improve the program the Board decided on a number of changes, one of these being to obtain the services of a paid supervisor, who would be acceptable to the Board and Provincial standards thus providing continuity. The board has been aware of the need for this

Our Mistake

In our last week's edition of The Gazette we published a letter under our heading 'Reader Comment' and failed to include the signature. We hope this mechanical error did not embarrass anyone, however, we apologize and wish to clarify the mistake by explaining that the author of the letter had signed her letter as follows: Respectfully, Marilyn Carlepy.

element since the initiation of the program and has tried without success to find a volunteer director capable of attending each week. A paid director would ensure continuance of the program. If a suitable person steps forward to volunteer the Board would be most anxious to meet with her. The proposed salary is 12 to 15 dollars for the day, perhaps we should have called it an honorarium.

Finally, the St. Albert Help Society holds no exclusive franchise on social programs and, in this free society, there is more need for volunteer programs to serve the community. Consequently, should any other organization or persons be willing to undertake this program, they can be assured of our full cooperation.

Myrna C. Fyfe,
President,
St. Albert Help Society.

Passenger Blasts Bus Fare Increase

The Editor:

I believe it is time something was done about the bus service in Our Town. Western Bus Lines monopoly must come to an end.

Have you ever experienced a ride in the Blue Bird Cattle Line? It is a real experience. Firstly you are riding the first vehicle Western could get, which is a reject from another bus company. Secondly you may have to run because the bus is early although more generally you may wonder if you've missed it because he is running so late. Thirdly, you may be one of the fortunate 20, driving the rush period, who has to stand for the entire trip. Of course we know it is unsafe to drive a car and not use seat belts, but it is perfectly alright to ride 10 miles standing up and travelling at speeds up to or in excess of 50 miles per hour. Fourthly, you may be fortunate enough to sit right behind a heater, which they insist on running even when it is quite nice outside or better yet you could be sitting near one of the better ventilated corners on a cold

winters day. Fifthly the windows in the bus are automatic. They automatically fall open, they automatically remain dirty to filter out the outside view and light and they automatically make the vehicle a cave for us Neanderthals.

With all this luxury it is no wonder that Western Bus Lines made a change in fare on October 16, 1972. You say you didn't know they changed the fare? Oh, yes! They don't sell tickets now at three for \$1.00. They now charge you 40¢ per trip (incidentally you don't need drugs for a bad one with Western around) and apparently they are considering raising it to 50¢. Think about it! Do we have to put up with this?

A. J. Alain.

Spinster to telephone company rep.: "Please take my name out of the directory and keep my number secret, I want to be like some other successful people, but if you can arrange it any time a man's voice asks for it -- you can let him have it."

Shortage of Volunteers

The Editor:

I would like to reply to the unsigned letter in the Gazette of Wednesday, October 11th concerning the "St. Albert Mothers Day Out" program.

I organized the volunteers for the "Mothers Day Out" from January 13, 1972 up to and including May 25, 1972 at which time we were forced to terminate a month early due to a shortage of available volunteers.

During these months only 25 (twenty-six) volunteers came for more than one day. This figure includes the

three co-supervisors and most of the Board members of the "St. Albert Help Society."

Betty Lovett,
Vice President,
St. Albert Help Society.

RECREATION HI — LITES

SQUARE DANCING:

The beginners' square dancing class, sponsored by the St. Albert Saints and Sinners got off to a good start last Saturday evening in the Clubhouse. However, there is room in the class, especially unattached males! The class is held each Saturday at 7:30 p.m. in the Clubhouse (beside the swimming pool).

The Saints and Sinners dance in St. Alexander School on the first and third Saturdays of each month, their next dance being held on Saturday, October 21.

For information about the regular dances or the beginners' class, please phone Mrs. Terrault at 599-6896 or Mrs. Jenkins at 599-8831 LADIES NIGHT OUT:

The first ladies night out, sponsored by the YWCA will be held on Thursday, Oct. 19 in Father Jan School, Miss-

ion Avenue, from 8 - 9:30 p.m.

This eight-week program is planned to give ladies an opportunity to indulge in some physical activities each Thursday evening with games of volleyball and/or basketball following a session of keep fit or warm up exercises. Mrs. Bonnie Childs will act as "guide" during these evenings and the cost will be \$5 for the eight weeks.

CANADIAN CONSUMERS ASSOCIATION

A meeting of consumers (and aren't we all!) will be held on Monday, October 23 in the Clubhouse (beside the swimming pool) at 8 p.m. There will be no charge and coffee will be served. DRAMA:

Casting is almost complete for the play "Green-sleeves Malic" which will be produced by the St. Al-

bert-on-Sturgeon Players in December. However, Phil Upright, the director will be holding further auditions on Thursday, October 19 at 9 p.m. in the Library Meeting Room.

This is a play for children and will be performed by both adults and young people. It provides an excellent opportunity for teenagers to become involved in what promises to be a very exciting production. SWEDISH GYM:

The YMCA is sponsoring Swedish Gym classes for both girls and ladies which are held behind in Leo Nickerson School on Wednesday evenings with Mrs. Helga Kirschowsky as instructor. The class for 6 - 8 year

olds is from 6:30 - 7:15 p.m. and for girls over 8 years of age from 7:15 - 8 p.m. On the same evening a class for ladies is held from 8 - 9 p.m.

Swedish Gym is a wonderful way of getting and keeping fit by rhythmic exercises performed to a piano accompaniment and Mrs. Kirschowsky is an excellent instructor. Anyone interested can obtain further information by phoning Mrs. Phillips at 599-6445.

Doctor to his patient: "I've done all I can do to get your weight down, and without any success at all. Mrs. Jones, I suggest that you learn to be jolly."

S.S.S. is Back!

Would you like to have a cartload of groceries paid for by someone else? In this day of rising prices and tight budgets wouldn't that be a treat?

Once again the Kinetite Club of St. Albert is sponsoring a three minute Safeway Shopping Spree. Tickets are on sale now at Safeway at 50¢ or three tickets for \$1 and may also be obtained from any member of the Kinetite Club or by phoning -- 599-7834. The draw will take place Saturday, October 28 at 9 p.m.

The winner will be noti-

fied and arrangements made for her (or him) to shop a few days later.

Safeway will be cleared of shoppers and the winner will do her best to fill her cart within the time limit then she can just relax while the Kinetites pay her bill.

You can help the Kinetites raise funds for community service work by getting your tickets today.

St. Albert High honours student achievements at annual program

The St. Albert High annual awards night was held recently in the school auditorium with a large number of parents and students attending.

June Borie, students council president, was mistress of ceremonies and principal, Mr. R. Johnston opened the program by congratulating all award winners on their achievements.

Mr. Nell-John Ross presented proficiency plaques to Theresa Tworek, Grade 9, Debbie Kremer, Grade 10, Jocelyn Durocher, Grade 11 and Janet McGillis, Grade 12. These girls were judged to have best combined both academic and extracurricular achievement during the past school year.

On behalf of the Board of School District #3, Mr. Don Labele presented monetary awards to Elke Lohmeier, Carol McDonnell and Daryld England for obtaining the highest averages on the basis of four Grade 12 de-

partments while equivalent awards were presented to Annette Primeau, Karen Donalds and Colleen L'Hirondelle for obtaining the highest averages on the basis of four Grade 12 non-departments. Mr. Labele also presented monetary awards for individual Grade 12 subjects to Connie Sadler, Lorette Arcand, Bernadette Altink, Valerie Durocher, Carol Pelletier, Marie Van Tighe, Ray Hubeau, Darrell Kremer, Mike O'Neill, Gloria Brenneis, Janet McGillis, Denise Popoff, Susan Hoffart, Eliana Aloisio, Ray Soetaert, Carol Perrotti, Eva Kaminski, John Lutz and Sherril Slezka.

Mr. Chris McDonnell, secretary-treasurer, presented monetary awards to Corinne Iseke, Debbie Thachuk and Brenda Wenger for obtaining the highest averages on Grade 9 core courses in 1972.

Gloria Brenneis received the Associate Medical Clinic scholarship from Mr. Murray as the St. Albert High grad with the high academic record entering the medical arts field and Valerie Durocher was presented with a gift by Mrs. R. Lefebvre for receiving the high mark in French 30.

Co-winners of the Sopravich Trophy for outstanding student executive were June Borie and Les Sheleney and Mr. Lockert made the presentation. Major athletic awards were presented by Mr. Chugg and Mr. Marland to Denise Gravelle, Susan Hoffart and Janet McGillis. Receiving plaques from Mr. Johnston for being the outstanding athletes in Grade 9 were Wendy Sopchuk and Brian Taschuk.

The Guy Raboud trophy for the outstanding senior girl basketball player went to Shirley Bokenfohr and Jay Donalds was presented with the Tony Vander Gaag Memorial Trophy in recognition of good sportsmanship and playing ability in boys basketball.

Debbie Thachuk, Colleen Sheehan, Jocelyn Durocher and June Borie were recognized as being the outstanding public speakers in the school while Carol McDonnell, Daryld England, Elizabeth Grieve and Monte Gannon were presented with scrolls for representing the high school in Reach For The Top competition.

A total of 39 students received medallions from Mrs. Dixon and Mrs. Szp-

ital for obtaining honors standing on core courses last year. Mr. Kupsch and Father Duchesneau presented activity medallions to 32 girls while Mr. Hoerber and Mr. Tellier presented similar medallions to 18 boys.

Entertainment during the evening was provided by Pitch musicians and singers under the direction of Father Duchesneau, four high school girls in a dance routine and the Four Seasons Karate School under the direction of Norman Waun-

Tourneys open Badminton year

Twenty-four players participated in the Badminton Club's first Novice Doubles tournament of the season Monday night at St. Albert High. Top scorers were Judy Wood and Dave Chalcraft. An opening club tournament, with better players teamed with the less experienced ones, will be held Monday, October 23 at St.

Huge Crowd applauds Superstar performance

St. Albert Roman Catholic Church was filled to overflowing Friday night when upwards of 900 people filled pews and aisles for the Pitch and Spice presentation of Jesus Christ Superstar, conducted by father Ubald Duchesneau. The 260 young people were given a standing ovation by the enthusiastic audience which they will probably remember all their lives.

The two-record album, cut by RCA is now on sale and was available following the performance Friday. The original presentation was taped at a special recording session in the church last spring by Ru-En Records of Canada Ltd., through their Edmonton office.

ice, and the tape was forwarded to Toronto where 300 records were cut.

The cover design in Easter purple reinforces the basic motivation of the young musicians, to present their own interpretation of Jesus Christ Superstar as a tribute to the "Risen Christ." The albums sell at \$11.75 and people interested can telephone Joanne McGregor at

599-8621.

The Pitch and Spice are off to Prince Albert and North Battleford at the end of October for three more performances of Superstar. And then? "We have some rather interesting ideas for a Christmas production," said the director, smiling. And knowing Father Duchesneau, we can believe he has!

Card of Thanks

We wish to express our sincere thanks to our many relatives and friends for their many expressions of sympathy in the death of our son John.

Special thanks to Rev. G. Primeau, Pallbearers, St. John Baptist Church Choir and Connelly-McKinley.

Mr. and Mrs. Justin Hughes and Family.

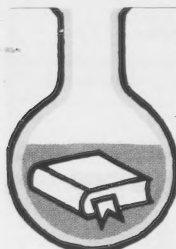

BABA'I FAITH:

QUESTIONS AND ANSWERS

WHAT IS THE MEANING OF THE BABA'I PRINCIPLE OF THE ONENESS OF MANKIND?

The Oneness of Mankind is like a pivot around which all the teachings of Baha'u'llah revolve. One aspect of this is that men and women of all races are equal in the sight of God and equal in the Baha'i community. In the Baha'i view, there is no superior race or superior nation.

FOR FURTHER INFORMATION PHONE - 599-8175 OR WRITE TO BOX 87, ST. ALBERT, ALBERTA.

Do Christianity and Science mix?

Jesus overruled the laws of physical science when he healed disease and overcame death. And he said that we should do even greater works.

Many people today are following Jesus' example, based on an understanding of the divine Science he applied. And they are realizing healing results. Come this Sunday to our church service, and learn more about these spiritual laws and the Science of Christianity.

"Living and Working in St. Albert"

12424 - 118 Avenue, Edmonton, Alberta.

Angela Kochen and Jeannine Martel take instruction in their Grade 6 Ballet class from Miss Crall of London, England, while she was a visitor at the St. Albert School of Dancing.

English dance teacher visits local school

Students from St. Albert School of Dancing enjoyed ballet classes on Monday night with Miss Patricia Crall of the Imperial Society of Teachers of Dancing, London, England.

Miss Crall is on a working holiday and is enjoying her stay in Canada. After giving a professional workshop to teachers of Alberta in Calgary, Miss Crall came to St. Albert for four days where, as well as working with principals Alma Hughes and Gladys Smith she con-

ducted three ballet classes for students. The children enjoyed Miss Crall's exuberant personality, and appreciated the excellent instruction. Miss Crall then went on to Edmonton to give classes in tap to local teachers.

Do you know what happened to the girl who didn't know the difference between cold cream and putty?

"No."

"All her windows fell out."

Sweet Adelines have openings

The Edmonton Chapter of Sweet Adelines, under the direction of Mr. Gene Hagen would welcome more singers. There are presently a number of St. Albert women in the group and transportation can be arranged in car pools.

Sweet Adelines meet Tuesday evenings at Augustana Lutheran Church (901-107 Street) at 8 p.m. No formal training is required and now is a good time to join, in order to take part in the spring events. This kind of harmonizing is fun to do and it's also "great therapy" says Sheila Willis, a St. Albert member. Interested gals are invited to telephone 599-6173 or 599-8408.

Mr. Hagen is also presently preparing the men's barbershop group "Oil Capital Chorus" for competition in barbershop singing in the Evergreen district. The event is being held in Seattle this year and the Chorus will be going in Klonidine attire and actively promoting the fact that Edmonton will next year be host to the competition for Evergreen district. George Willis and Len Musto are St. Albert members of the Chorus, and Mrs. Willis will accompany her husband on October 20 - 22.

AROUND TOWN

Two paper bins will be on the Roman Catholic Church parking lot behind the Museum this weekend, arriving Friday afternoon and leaving Monday morning. The St. Albert Guides and Brownies would be indeed grateful to local residents who drop off bundles of paper in the bins. Your support not only aids the work of the Guide movement here, but through re-cycling, the paper is put to good use again.

Saturday night is Bavarian Night at St. Albert Community Hall and the ladies of the Sturgeon Hospital advise us that advance ticket sales are going well, and people are planning to attend should telephone 599-7060 or 599-6946 right away.

Greenling - Dowell Wedding

Pastor L. Schwabe conducted the wedding service for Cheryl-Ann Dowell, daughter of Jim and Gwen Dowell of St. Albert, and Dennis Greenling, son of Herman and Rose Greenling of Edmonton, at Trinity Lutheran Church in Edmonton, Sept. 9. Gayle Tomlinson, cousin of the bride from Port Alberni, B.C., was soloist, singing "On the Wings of a Dove" and "We've Only Just Begun." Jim Sorum and Orville Greenling ushered the guests.

The bride was beautiful in her traditional wedding gown with floor-length lace skirt, with matching lace trimming the dainty bodice and fashioning the full length sleeves. The gown featured a train and cathedral veil, edged in matching lace. She carried a bouquet of red roses.

Attending the bride were Matron of Honor, Mrs. Anita Meek and bridesmaids Dorothy Foster and Jan Kenny, Diana Meek and Suzanne Greenling were flower girls and ringbearer was Robert Dowell. The attendants wore mauve dresses with matching floppy hats and the flower girls were dressed the same. All carried baskets of white baby's mums with mauve baby's breath.

The groom was attended by Clifford Borchers as best man and groomsmen Jim and John Dowell.

A reception was held at St. Albert Community Hall for 122 guests. The mother of the bride wore a long gown of pale green with white figured design and white accessories. The groom's mother chose a dress of salmon pink lace with matching coat.

About 200 guests attended

the dance which followed. For going away the bride donned a floor length navy skirt and white crocheted blouse, accented with a pink orchid corsage.

Special guests were the four grandparents of the

bride: Mr. and Mrs. Myron Sorum of Vernon, B.C., and Mr. and Mrs. Morris Dowell of Edmonton.

Following a honeymoon in B.C. and Vancouver Island the couple settled in Edmonton.

Two volunteer 'bearers' from St. Albert Highareseen carrying one of the 'victims' into the Sturgeon General Hospital while Dr. W. Skrobot steps forward to attend to the patient.

League supports Minor Hockey

The St. Albert Community League is again supporting the Kinsmen Minor Hockey program in St. Albert, and have voted a cash donation of \$200, in addition the leagues will sponsor one Mite team and one Bantam

team with uniforms.

At present the League is promoting its annual Halloween Festival, complete with prizes for the best costumes. This popular fall dance has featured some really original costumes in previous years, adding greatly to the fun. The Festival goes Friday night, October 27 and advance tickets are available from Lucille deChamplain, 599-7003, or President Henry Terrault. The Golden Altos will be back on the bandstand.

Meet the teachers at Paul Kane

A "Meet the Teacher Night" will be held at Paul Kane High School on Monday, October 23, 1972, at 7:30 p.m. Parents wishing to meet the Paul Kane teaching staff and discuss high school programs are cordially invited to attend the Paul Kane High School on October 23, at 7:30 p.m.

Newcomers

We welcome the following to St. Albert:

MISSION PARK

Mr. and Mrs. A. T. Malo and family; Mr. and Mrs. R. M. Graham and family; Mr. and Mrs. R. A. Brewin and family.

RIDGEWOOD TERRACE

Mr. and Mrs. R. Sahiston and family from Lloydminster, Sask.

GRANDIN PARK

Mr. and Mrs. M. Hentluk and family from Kelowna, B.C.; Mr. and Mrs. W. Rothwell and family from Winnipeg, Manitoba; Mr. and Mrs. D. McDougall and family from Oakville, Ontario; Mr. and Mrs. T. J. Smith

and family; Mr. and Mrs. A. Pich; Mr. and Mrs. E. Cole and family; Mr. and Mrs. G. Dawson; Mr. and Mrs. R. Spore and family; Mr. and Mrs. K. Dean and family; Mrs. E. Nelson and family.

Mr. and Mrs. B. VanZutphen and family; Mr. and Mrs. M. Bowen and family.

SEE YOU AT THE GAME ON FRIDAY, OCTOBER 20

EMO Disaster Highlights

A few of the highlights of the Emergency Measures Organization exercise held here last Friday:

*The alarm was sounded at 1:04 p.m. while Mark Stagg, EMO co-ordinator for St. Albert was enjoying lunch at his club in Edmonton. He arrived at his emergency quarters in the RCMP barracks to take command at 1:23 p.m.

*All casualties had been processed through the Sturgeon General Hospital and the 'All Clear' was sounded at 2:31 p.m.

*To add an unknown element to whole exercise, Dr. Jim Howell of the Sturgeon Health Unit 'planted' a cardiac case and succeeded in having his actress-patient ushered through the emergency entrance with everybody believing that here was a real patient. The only people who were not taken by it were the medical teams, but the driver of the station wagon almost wound up as an emergency case herself.

*People involved in the actual staging of the exercise included 40 casualties, 16 litter-bearers, six traffic controllers, six security guards, four messengers and several home economist students who were on deck preparing coffee and sandwiches.

*The excellent job of make up on the victims was done by Emergency Health Services Nurse Miss G. E. Hogan, A. Ballantyne, EMO Stores Officer and Barney McNally.

*A. W. Mann, assistant director of Emergency Health Services could only account for 37 casualties while 40 were expected. "Get those three casualties here . . . now . . . but right now," he told Corporal

Fookes. The missing victims were found and brought

in, which again proves that the RCMP always get . . .

EDMONTON WEST RE-ELECT Marcel Lambert

Representation you know is good.

Marcel Lambert is a frequent, decisive debater in the House. He regularly serves on House of Commons committees, and he attends quickly to every personal request. You can depend on him.

DAN HOLLANDS

DAN'S YOUR MAN IN PEMBINA

Your family man

The Hollands family thrives on a happy relationship, both at home and in business. Dan Jr. is married and has become a partner in the Hollands livestock feeding enterprise at Ardrossan. He handles much of the business, leaving Dan with freedom for other pursuits. Daughter Judy, a bank teller, lives at home.

Your anti-inflation man

Economic mismanagement is at the root of ever-increasing inflation. And the Trudeau formula of deliberately creating unemployment has made the matter worse. The personal income tax increases scheduled for January 1st, must be stopped, and additional tax reductions made, to put more money in the hands of consumers. This would mean increased demand, increased production, less need for high per-unit profit, and at the same time, would create jobs. It's a P.C. promise.

Your national unity man

Dan Hollands stands for one Canada, based on equal rights, equal responsibilities and equal consideration for the problems of every province.

On October 30th, vote

Wagner results show learning disabled are not "dummies"

Parents and teachers attending the October 16 meeting of the SSAACLD heard Terry Pearson, counsellor at W. P. Wagner School, speak of the existing programs for the grades 9, 10 and 11 student. The parents were enlightened by the information gained as to what education is available for the learning disabled child. These children are those who spend a minimum of seven years in elementary school but are not eligible for a Wagner program until age 15, or grade nine level.

For some children this presents a void in their education. Due to the large numbers of children in Edmonton Schools requiring special education, St. Albert and Sturgeon students have a slim chance of being placed within the system. W. P. Wagner has an enrollment of 1,100 students of which 156 are non-resident. It is heartening to note here that of the first graduating class of 178 students, 40 per cent went to a regular grade 12 class, of which all but three received diplomas. This surprising fact caused the administrators to take a closer look at the kind of student with whom they were dealing. The result was a continual upgrading of courses at every level.

Mr. Pearson stated that these children consider themselves to be "dummies" because everyone but

mother says they are "dummies." - school experiences social contacts, etc. The above indicated success proved to these students and educators that these "dummies" were of at least average intelligence despite the inability of most students to read efficiently beyond the grade three level. These students achieved success in spite of learning difficulties compounded by emotional and social problems created through academic failures.

New avenues of learning were opened up through the unique teaching methods employed at Wagner. The sight and sound method of teaching is of little value to these young people so other means are used. Total involvement, including reading, writing and arithmetic, is achieved through motivation by appealing to the student's special interest.

Mr. Pearson challenged the group to "put us out of business" by pressuring government to allocate monies presently being spent at the junior college and university levels, for detection programs at the age three level. Because the learning disabled child will never be able to use funds set aside for him for further education, Mr. Pearson urged that we demand that money now for developing our child's potential.

If these preschoolers are detected and remediated at the earliest possible age, then the need for expensive special education facilities will diminish. Associations such as the SSAACLD must get enough power and strength to bring pressure to bear on political candidates.

Also present were speakers, Dennis Haughey and

Lois Lamont, from Grant MacEwan Community College to offer our community courses of local interest. A committee was formed to do a survey on the numbers of people concerned with acquiring more knowledge about the learning disabled child. Further information may be obtained by telephoning - 599-7432.

Canada's New Beef Grading System

Effective Sept. 5, 1972, a revised beef grading system came into effect in Canada, based on the percentage of the carcass that can be sold as edible meat. Nine new grades will replace the existing 11 grades.

1. Canada A — the carcasses will have the following characteristics: bright red lean color, firm and fine grained lean texture, at least a slight degree of marbling, white or slightly tinged reddish or amber fat color, fat covering must be firm and extended well over the carcass and the muscling must be free from marked deficiency.

In addition there are 8 other grades lower than Canada A.

CARD OF THANKS

The St. Albert Day Care Society wishes to thank all who so kindly have donated toys, and other goods or have given of their time to help establish the St. Albert Day Care Centre.

Assessor To Probe For Mobile Licenses

The assessor for the Municipal District of Sturgeon, Mr. A. Fenton expressed his concern to Council over the drastic decline in revenue from mobile equipment licenses. He told Council that last year, revenue from mobile equipment licenses stood at approximately \$13,000, while this year, during the same period, only \$5,300 had been collected. When quizzed by Council why the drastic drop in revenue, he said that many operators of mobile equipment just didn't bother purchasing licenses pursuant to the Mobile Equipment Licensing Act. He further added

that too few provincial inspectors were checking out these operators.

In view of the Act, which states in part that the MD Assessor is an ex-officio inspector and thus has the authority to investigate operators of mobile equipment, Council instructed Mr. Fenton to take the necessary steps to assure that all mobile equipment operators working within the MD of Sturgeon obtain the required provincial operator's licenses.

For Utilities MD Entertains S.A. Land Bid

The Municipal District of Sturgeon has granted permission to the Town of St. Albert, following an application, to acquire lands East of the town to the North Saskatchewan River for a proposed sewer line, water line and sewage treatment facility.

The MD has reserved, however, prior to the issuance of a development permit to this effect that procedures under Sections 105 and 108 of the Planning Act will have to be complied with.

These two clauses deal with the advertising of the said proposal and public hearings held before a development permit can be further dealt with.

Franches celebrate Golden Wedding Anniversary

Arrangements of yellow mums and white daisies graced the altar at St. Albert Roman Catholic Church on October 7, for the occasion of the Golden Wedding Anniversary Mass for Mr. and Mrs. Ulderic Franche.

Father Eugene Fournier, a nephew of Mrs. Franche, performed the ceremony and music was by Mrs. Bertha Kennedy at the organ and soloist Mrs. Irma Bulgar,

niece of the couple, who sang three appropriate selections. Serving as mass were grandson Maurice Vallee Jr. and Dick Commandeur. The two oldest grandsons of the couple, Leo Franche and Paul Vallee, ushered the guests.

Mrs. Franche was charming in a full-length gown of blue tulle with matching lace overcoat, complemented by a corsage of pink sweetheart roses. Attending the couple were Mr. and Mrs. Felix Houle, and Mrs. Houle wore a gold tulle gown with white carnations en corsage.

Master Fernand Ricard, a grandson, was ringbearer and twin grand-daughters, Pauline and Paulette Vallee, were flower girls, looking very pretty in their long frocks of orange polyester-crepe. They carried baskets of yellow daisies and white carnations.

Following the ceremony a reception and dinner was enjoyed by 110 guests at Morinville Recreation Centre, where Mr. Moise Comeau, a long-time friend of the family, served as a deli-

ful master of ceremonies. Mr. Arthur Franche, their eldest son, proposed a toast to his parents.

Seated at the head table were Father Fournier, Mr. and Mrs. Felix Houle, the honored couple, Mr. Cyrille Franche, the 92 year old brother of Mr. Franche and Mr. and Mrs. Moise Comeau. A three-tiered Golden Wedding cake and beautiful arrangement of roses graced a side table. Bouquets of lovely fresh flowers were on all the tables, which, along with 65 corsages worn by all the family members, created a most festive atmosphere. All the flowers were arranged by Mrs. Alice Franche. The Franches have 28 grandchildren and all of them were present. Their only great grandchild, being only two, was a bit too young to take in the big day.

The family gave their parents a gift of two matched gold family rings. A daughter-in-law, Helen Franche, on behalf of Mr. Frank Gallagher and his wife Pearl, made a presentation of a gold china tea service.

Maurice and Jeanette Vallee were celebrating their silver wedding the same day and they also received a gift, from visiting Montreal relatives and Jeanette's parents. Messages of congratulations were read from Pope Paul, Prime Minister Trudeau, Leader of the Opposition, Mr. Stanfield, Lt. Gov. J. W. Grant MacEwan, Premier Lougheed, M.P. Marcel Lambert, M.L.A. Ernie Jamison and Mayor Ray Gibson. The Town of St. Albert also gave the Franches a handsome plaque which they were most pleased with. A telegram from Mr. Isidore Fournier of New Bedford, Mass., was read.

The bride and groom of 50 years led off the dance which followed in the Anniversary Waltz, followed by their family in the second round, and then all of the

guests. The Satellites provided the music and dancing was enjoyed by all, including Ulderic and Eva, who danced a good many numbers during the evening.

Ulderic Franche came to Alberta at the age of 19 from Hammond, Ontario. He married Eva Houle, daughter of the late Joseph Houle, pioneer of Morinville district, on October 11, 1922. Bishop Pilon conducted the marriage service in Morinville church.

The couple raised a family of eight, four sons and four daughters: Arthur of Volmer, Marcel and Lucien of Hinton and Julien, who died in 1968; Mrs. Maurice (Jeanette) Vallee, St. Albert; Mrs. Roger (Yvonne) Quaghebeur, Edmonton; Mrs. Girard (Alice) Franche, Fort McMurray and Mrs. Andre (Therese) Ricard, who passed away in 1969.

Out of town guests were from Montreal - Mr. and Mrs. Bernard Gelineau, Mr. and Mrs. Sierge Gelineau; Mr. and Mrs. Pierre Paquin; Mr. and Mrs. Philias Mainville, Mr. and Mrs. Gilles Mainville and Mrs. Hugues Secours. From Washington - four grandchildren, Carmen, Lillian, Cecile and Fernand Ricard, their Aunt, Mrs. Jeanne Laberge, and Mr. and Mrs. Frank Gallagher. From Hinton - Mrs. Helen Franche and family, Mr. and Mrs. Marcel Franche, Mr. Lucien Franche and Paul and Rene Vallee, Mr. and Mrs. Randy Campbell of Whitecourt, Mr. and Mrs. Maurice Regimbal of Slave Lake, Father Fournier of Valleyview, and Mr. and Mrs. Girard Franche and family from Fort McMurray.

Club Rendez-Vous Awarded Club Rooms

The senior residents of Morinville will soon be moving into their new recreation centre. Although the seniors of that progressive town have been enjoying social activities together for a number of years, it's only been since a short while that they've functioned as The Rendez-vous Club. And now, their next step forward will be towards taking over their new club rooms.

Morinville's senior and respected citizens have been enjoying quite an active social life in quarters provided them in the lower floor of the Town Office. Since these quarters were being eyed by the Thibault School District Office, Mayor Art Stapleton conceived a plan to resolve the whole issue.

Mayor Stapleton approached the School District Board and suggested that a swap be made of the Town Office basement quarters for a portable school. The offer was immediately accepted. Now, the portable school is being moved onto a town lot, located at the rear of the Fire Hall and renovated into up-to-date club rooms for the members of The Rendez-vous Club and the Thibault School Office will occupy the Town Office basement area while Town Council establishes its chambers where Thibault S.D. used to be.

Before taking definite action on these plans, Mayor Stapleton, accompanied by the secretary-treasurer of the Thibault School Board and observers, met with representatives of The Rendez-vous Club to discuss the proposal.

"After explaining the whole deal to the town's senior citizens," Mayor Stapleton said, "I asked representatives of The Club for their reaction and they wanted to know where the catch was," he said. He explained that they couldn't believe that we were simply trying to do something for them and that there wasn't a catch to it at all.

"It's just a long overdue debt we're paying," the mayor said, and the Morinville seniors will have their own club rooms.

Mr. and Mrs. Ulderic Franche leaving St. Albert Roman Catholic Church following their 50th wedding anniversary mass on October 7. Flower girls are their twin grand-daughters, Pauline and Paulette Vallee, and grandson Fernand Ricard is the ringbearer.

BON ACCORD ACTIVITIES

By Sadie Allen

Organization of a 4H Food Club will take place at the home of Mrs. Edith Kowalski on Monday, October 23. Girls wishing to join please come accompanied by your mother. Mr. Doug Blenert from the Department of Culture, Youth and Recreation will be present to talk to prospective members and parents, and assist in this new venture in 4H.

Registration for an eight week course in hobby crafts was held at the Bon Accord Community Centre on Wednesday, October 18. The course will start Thursday, October 26 at 8 p.m. and will include decoupage, candlemaking, Christmas cards and other ideas for the festive season. Registration will be \$2 for shareholders and \$4 for non-shareholders and will cover all Arts and Crafts courses offered during the 1972-73 season. A special invitation is issued to teen-agers. Although the first class is slated for Thursday, October 26, all ensuing classes will be held on Wednesdays with the final one on December 13. Don't miss this excellent opportunity. Craft enthusiasts from other districts are cordially invited to attend. For more information contact Mabel Veran 298-3545.

Community Club was held on October 4 at the home of Mrs. Pearl Madden with a full complement of members in attendance. New residents Mrs. Pauline Mansfield, Mrs. Linda Fearnley and Mrs. Evelyn Russell were welcomed in the club. Business of the meeting included a report on the Thanksgiving Turkey Supper, which by the way was a most resounding success despite the wintry weather. A tasty buffet lunch was served by Mrs. Madden at the conclusion of the meeting. Hostess prize was won by Jean Sloan. The next meeting will be held at the home of Mrs. Carol Rivet on October 25. At this time plans will be made for the banquet to be served at the 25th anniversary dine and dance social event Friday, November 3, the banquet to start at 7:30 p.m. sharp. The club will also serve coffee and cake following the 25th anniversary concert on Saturday, November 4th.

Ladies of the club extend a sincere thank you to the many new and regular patrons who attended the Thanksgiving supper and to all those kind people who donated time, effort and food items to this worthy community enterprise.

HALLOWEEN PLANS

A halloween party for Bon Accord and district children will be held again this year in the Bon Accord Community Centre. Each family in the townsite will be canvassed for \$3 to help defray expenses. Families in outlying areas who wish to participate may make their donations to Doreen Irmen, Donna Fleming or Rose Ruth. The \$3 you donate is no more than you would normally spend for treats. However with a party the children will be off the streets, out of the cold and in no danger of being injured as happened in some villages last year. There will be no children at your door for treats. Tickets will be given to all families contributing. All parents, friends and neighbors are invited to come and watch the costume judging and the activities that follow. Canvassing will begin this weekend. Cut off date is October 24. The program will begin at 6 p.m. and should be

over by 9:00. The film being shown this year is an action packed story of a boy who lives with a band of wild horses on the moors of Scotland. It is titled "Run Wild, Run Free," is in color and stars Mark Lester. Each child will receive a bag of treats.

Sympathy of the district is extended to the family of Carrie Luchka.

Get well wishes are extended to Anne Brennan, Earl Mulligan in the Sturgeon General, Bob McRobbie in the Royal Alex and Roy Strid in the Fort Saskatchewan General Hospital.

District ladies Doris and Marilyn Carleton, Olga Ferbey, Edith Kowalski, Mable Veran, Pat Reichle, Ceelle Strawson and Lynda Bland met with Sturgeon Recreation director, Carl Royan on October 10. Plans were made for six district ladies to attend Camp He Ho Ha this weekend where they will take courses in macrame, leathercraft, hobby crafts. These will be offered to the community over the winter months.

Anyone interested in physical culture classes is asked to contact Rita Milligan, 298-2183.

The October meeting of the Anglican Church Ladies will be held at the home of Ruth Cline on Tuesday, October 24 in the evening. Again all ladies interested are invited to attend.

Recent visitors to the district were Mr. and Mrs. Frank Kovac of Long Beach California, Mr. and Mrs. Bob Davis, back from the Okanagan Valley and Mr. and Mrs. Earl Moore from High Prairie.

Reorganization of the 4H Clothing Club took place at Rita Milligan's on October 10th. Club executives are: president, Faye Strawson, vice-president, Lydia Uehacz; secretary, Marsha Rigney; treasurer, Lori Paw-

Sturgeon Minors Elect Executive

The Sturgeon Minor Hockey Association held its first meeting of the season on Tuesday, October 10, 1972. Officers were elected for the coming term. Elected were: Don McGrath, president; Wes Carleton, vice president; and Douglas Hammer, secretary-treasurer. Representatives elected were: Wes Carleton from Bon Accord, Emil Berube from Calahoo, Ken Wood from Gibbons, Claude Maurier from Legal, Dave Keger from Morinville, Reg Crozier from Namo, Terry Olson from Redwater, Joe Sheehan from Riviere Qui Barre, Rene Victor from

Villeneuve, and Claude Huot from Vinny.

One important rule was added to the present regulations. All coaches are advised that score sheets are to be turned in to the league president within five days after the game is played. Failure to do so will result in the game being officially recorded as a 0 - 0 tie.

Some other highlights of the meeting were, the possibility of a gallianders clinic to be held near the beginning of the season if enough interest is shown, registration in all centres will be held before the end of October, and the discussion of an affiliated league to

luk; reporter, Val Reynolds, club representative, Debra Uehacz, Lori Pawluk was presented with a set of shears - the T. Edson Award from Achievement Day last spring for the highest total points of a non-previous winner. The club boasts a membership of 20, five of which are new members. A good turn out of parents forecasts an interested group of backers and another successful season for the club.

Got your ticket for our Community Centre's 25th anniversary on November 3 yet? There are still a few available.

Reorganization of the 4H Beef Club took place on Oct. 18. If you missed the meeting and want to join, contact Taras Ferbey, 298-2227.

The Bon Accord Junior High School students are selling magazine subscriptions again this year and their sales campaign is now on. All proceeds go to school activities and all sale dates are honored in this campaign. If you are in the market for magazines and have not been called on, please call the school and a student will be around. Be sure to attach your deal to your new order.

LEGAL LOCALS

By Lucienne Montpetit
A packed hall of relatives and friends gathered at the Half Moon Lake Hall for a social organized by the best men and the aunts of Bill Rea and Diane Borduzak prior to their wedding.

The happy couple were presented with a beautiful kitchen suite and a purse of money. They thanked their friends warmly for their gifts and kindness.

Diane is the daughter of Mr. and Mrs. Nick Borduzak of Legal and Bill is the son of Mr. and Mrs. C. J. Rea from Saskatoon, Sask. The couple will be married on October 28 at St. Joseph's Cathedral in Edmonton.

Bridesmaids Marjolaine Chamberland, Sylvia Chiarras and Patricia Theberge were charming hostesses at a miscellaneous shower held in honor of Irene Theberge held at the Community Hall last Sunday with some 95 ladies present. Irene was showered with a beautiful assortment of gifts, who thanked everyone with well chosen words. The hall was beautifully decorated with pastel shades. Seated at the head table was the guest of honor, accompanied by her aunt, Mrs. Joseph Theberge, Mrs. Leo Charrois, mother of the future groom and Mrs. Pouliot, grandmother of the groom. Irene will become the bride of Henri Charrois on November 4.

Diane Borduzak was the guest of honor at a miscellaneous shower held at the home of her parents, Mr. and Mrs. Nick Borduzak on October 8. Hostesses were her bridesmaids Lucy Montpetit, Terry Keane, Mariene Zillinski and Patricia Malchuk. Diane thanked everyone for their beautiful and useful gifts and also the hostesses for organizing such a lovely afternoon in her honor.

Diane will become the bride of Bill Rea on October 28th.

Mrs. Kathleen St. Martin underwent major surgery in the Immaculata Hospital in Westlock. We wish you a speedy recovery.

The basket social sponsored by the Parish Council is postponed to November 17 instead of October 27 as advertised.

A booster rocket on the space shuttle will produce 16,000,000 horsepower, or the power generated by the engines on eight Boeing 747 airliners.

Among the handcraft displayed last Saturday at the Arts and Crafts Tea were articles of macramé contributed by Mrs. Edith Kowalski of Bon Accord. A total of about 70 people attended and enjoyed the artistic display organized by Mrs. Carol Brown, The Morinville Senior Citizens Rendez-Vous Club handled the refreshments and their hospitality was appreciated. A delightful decorated cake was donated by Mrs. Mary Clark of Namas and was raffled at the end of the afternoon. The happy winner was Audrey Derosa of Fort Saskatchewan.

Rural Recreation

By Carl Royan

NEW MINOR HOCKEY LEAGUE

There will be a new minor hockey league formed this year within Sturgeon. This league is still in the planning stages but we hope we will have teams from Villeneuve, Calahoo, Riviere Qui Barre, and the Sturgeon Valley Community League. Hockey players of all ages up to 15 will be involved so if you are interested contact the office for more information.

There are three new staff members in our department for the next two months working under the Local Initiatives Program. One of these persons will be working with groups interested in starting any type of athletic activity. So if you would like to start any athletic activity such as golf, archery, ski club etc., contact the office for more information. The other two staff members will be working with the arts and craft program in Sturgeon.

LAMOREUX PLAYSCHOOL

If you are interested in having your children attend playschool in the Lamoureux district, contact either myself or Della Thimer at 543-2823.

AROUND STURGEON

An old time Turkey Supper will be held at Riviere Qui Barre on Sunday, December 3rd at 5 p.m., to be followed by a family show. The event will be held in the Recreation Centre and proceeds are for the church. The people in charge are hopeful that by announcing their date early, any conflicting events in the district may be avoided.

Washington -- For centuries, sugar remained a luxury of royalty and the rich. In 14th-century England, two pounds of sugar were worth one stout pig, the National Geographic Society says.

NAMAO NEWS

By Norma Crozier

The October meeting of Namas UGW was held at the home of Mrs. Jim Ward. Final plans were made for the Turkey Supper to be held on Saturday, October 21 starting at 5 p.m. Everyone welcome. A drive will be held for Bissell Centre and the Rehabilitation Centre in November. Items asked for are good used clothing, books and magazines, and household goods, games and toys. Articles may be left at the church from November 6th to 9th.

Red Cross Blood Donor Clinic will be held in Namas School Gymnasium on Tuesday, November 7 starting at 6 p.m.

The Namas School and Community League will hold a Harvest Hard Time Dance in the school gymnasium on Friday, October 27 with music by the Satellite Orchestra. Tickets are available from Johnny's Store, Samis Garage, Saligo Garage or members of the Community League executive. Come in costume and join the fun.

Is the Worth Commission Worth It? The women of Uniform are sponsoring an evening to make the public familiar with the Worth Commission Report. It will be held in the Seba Beach School on October 26 at 8 p.m. Guest speaker is Mrs. E. Pedersen. A panel discussion will include a teacher, a school trustee and a student, followed by

a buzz session. This meeting is open to all the public.

The school and community league are planning a Men's Basketball League in Namas starting about November 1, and a Badminton Club if enough interest is shown. If interested please phone Mr. Clayton Crozier, 799-3248.

Mr. and Mrs. Ted Samis have returned from a 10 day holiday in Toronto where they visited Mrs. Samis's brother Dr. George Sinclair, and his family. They toured Niagara Falls and Buffalo New York and also saw the NHL hockey game on Saturday night.

IT'S MORE GLORIOUS TO BREAK THE STRING... THAN NEVER TO DRAW THE BOW.

no hang-ups...

with an electric dryer & washer

Wet wash is a hang-up. In more ways than one. It's no fun to pin and unpin thousands of clothespins a year. It's no fun to lug hundreds of pounds of wet wash to and from the clothesline.

Break free of your hang-ups. Discover the wonderful convenience of an electric dryer and washer. Gentle electric heat is perfect for permanent-press garments as well as your other clothes.

See the new electric dryers and washers at your appliance dealer now... and get rid of your hang-ups.

ELECTRIC SERVICE LEAGUE OF ALBERTA

Vimy Needles hear speaker

By Jocelyne De Champlain
On October 11, the Vimy 4H Needles met at Vimy school.

Lucille de Champlain and

Sturgeon schools plan Awards Night

Denise Iset led the members with the 4H pledge. Lorraine Parent introduced guest speaker Mr. Stampach, who gave an interesting and informative talk on recreational and educational and service groups offered within the area of Westlock.

After having thanked him for coming, the club proceeded with the business meeting. Roll call was answered with "What I did during my summer vacation."

The girls decided to have a provincial crest as well as a club crest.

Speeches were heard from Jocelyne de Champlain who talked on her trip to the Youth Seminar, and Lucille de Champlain, who talked on her trip to Camp He Ho Ha.

Beverly Brown gave a demonstration on how to make a mobile, which she had learned at Camp He Ho Ha. The next meeting, which is a sewing meeting, will be held on October 28 at 1:30.

The Northern Life Museum of Fort Smith NWT is expected to cost \$300,000.00 by the time it's completed at the end of this year. Sod was turned early in June. The Fort Smith Northern Life Museum covers 10,400 square feet and will house priceless collections of northern artifacts. The citizens of Fort Smith have formed an Anthropological and Cultural Society which was registered under the Societies Ordinance of the Northwest Territories. Contributions may be mailed to Box 371 Fort Smith, N.W.T.

Volunteers Wanted For Driving Course

The Defensive Driving Course is designed to make you aware of the various reasonable precautions that relate to driving and to teach you how to apply them. The Defensive Driving Course is organized into eight one-hour sessions. Two sessions are presented at each two-hour lesson, so that you can complete the course in four two-hour periods, usually spaced a week apart.

Along with lower insurance rates, you will find the Defensive Driving Course a fruitful way to learn more about safe driving and to improve your driving skills. If you would like to be

part of the Defensive Driving Course, which is run by the Alberta Safety Council, please call the Municipal District of Sturgeon No. 90 Recreation Office at 256-

3321 or 424-6276 and ask for Laurent Coulombe. If sufficient interest is shown, we will do our best to organize the course in your locality.

Composer Sets City Engagement

Mikis Theodorakis, one of the world's most prolific composers and conductors, will appear in Edmonton early in November as part of his 1972 - 1973 World Tour.

Theodorakis, composer of scores for movies such as "Zorba the Greek" and "Z", has formed an orchestra of seven musicians and

three superb voices and will conduct and present his concerts personally.

The Edmonton engagement will take place November 7th at 8:30 p.m. in the Jubilee Auditorium.

Streams in the United States carry an average of 1.2 billion gallons of water each day to the oceans.

Ethiopian Christians consider ostrich eggs symbolic of both the Resurrection and the Virgin birth, National Geographic says. It was once thought that the ostrich left its eggs in the sand to be hatched by the sun -- representing the Creator.

Vanier High gets very good results

Grade XI1 examination results at Georges P. Vanier High School showed 83 per cent of the papers written achieved Matriculation. Standing (marks ranging between 50 per cent - 100 per cent, C to A standing).

The provincial average is 82 per cent.

Fifteen per cent of these were Honor (A) standings. The Provincial average for Honors is nine per cent. Thirty-one per cent achieved B standing, and 37 per cent made C standing.

Nine of the 62 papers written received D standing and there was one failed paper (two per cent). The provincial average for failure is approximately four per cent.

Grade IX received 93 per cent pass in 1972. In 1971 pass was 83 per cent. All in all the results indicate better than provincial average, and Mr. Fitzpatrick, senior administrator, commented that the students are certainly to be commended, as well as the teachers.

MORINVILLE MEMOS

By Rose Martel

Two important announcements head this week's local news: The Morinville Red Cross Blood Clinic date has been changed to Monday, November 6, and registration for all minor hockey players from shavers to midgets, will be held Tuesday, October 24. Forms are to be picked up at the Dave Kegler residence on that day. Unless boys register, they will not qualify to play in provincial league games.

Recently Mrs. Clarence Steffes accompanied by her daughter, Mrs. Ellen Kryskow and grand-daughter, Pamela, and Mrs. Brian Steffes from Edmonton drove to Guelph, Mrs. Kryskow, accompanied by her husband, proceeded to Dallas, Texas where Dave resumes his hockey career with the Chicago Black Hawks farm team. Mrs. Clarence and Mrs. Brian Steffes flew back home after their trip to Ontario.

Last weekend, Mrs. Marie Louise Lemieux celebrated her 89th birthday with a family gathering at the home of Mr. and Mrs. Romeo Froment. Among her seven living children present were her son, Alphonse Loiseux and his wife from Falher, and daughters, Florestine Boissonault, Christiana Froment, Jeannette Champagne and Alice McDonald, all of Morinville. Also present were her sons-in-law and other members of her family, including her first great, great grandson, first member of the fifth generation of the family, Trevor McDonald, 18 months, son of Claude and Lorette McDonald.

Mrs. Lemieux enjoys good health, that permits her to attend church and to enjoy card games at any time. She had 10 children, seven of them still living, 20 grand children, 47 great grand children and one great great grandson.

Mr. and Mrs. Raymond McDonald returned from a visit to the Peace River country last weekend, and were delighted to find no snow at home, after travelling in near blizzard conditions.

Walter Annett was involved in a two car collision three miles north of St. Albert, October 9 and suffered only facial lacerations and body bruises. Occupants of the other vehicle were all hospitalized, some with serious injuries.

Preparations for the annual Guide and Brownie rummage sale October 24 are in full swing. A treasure hunt held on the weekend was a little disappointing as to amount of goods received. Deposits are at Robert Anderson's and Stu Linger's residences. Along with the rummage sale, there will be a bake sale. The public are invited, especially the business people, to come and take their coffee breaks at the centre, where coffee and tea and fresh homemade donuts will be the fare of the day.

Among hospital patients reported last week, Sidney Pifko is in the Royal Alex in Edmonton and will be there for some time while skin grafting procedures are underway. Dale Vranas is reported holding his own, with no real change, during the past week. He has concussion, broken shoulder and other injuries not yet all determined. Bernadette Yellowdill is in hospital with fractures, and Mr. Lbtoire Caouette, is recovering satisfactorily from his recent operation.

The Lions have opened the Morinville Rifle Range and to date some 20 youngsters have registered for the course. Any boy or girl interested may contact President David Kegler or any Lion for further details.

The MYR will host a teen dance in the Rec Centre on Friday, October 20, with the Big Dipper Green Band.

The Senior Citizens resumed their weekly card games last Wednesday in the basement of the town hall, with 24 members enjoying the afternoon social.

Recently Rev. Father G. H. Primeau and seven local ladies attended a Leadership Workshop in St. Paul where 55 ladies and their parish pastors from the diocese of St. Paul gathered. The moderator was Rev. J. M. Bernard from Ottawa. Methods of conducting meetings, decision-making and spiritual reflection were observed, discussed and criticized. In attendance were Mrs. Sam Beland, Mrs. Edie Bachand, Mrs. Richard Remiliard, Mrs. Gus Ricard, Sister Mageau, Sister Belle, Mrs. Matt Tellier, all members of the Christian Ladies Movement (MFC). Also in attendance was Mrs. Jeannine Laplaine, national president. They found the two day session both profitable and practical.

The Lions and Sports Association are joining forces, for a community project, November 3, the first Harvest Fest in the Arena. Advance tickets are on sale now in Morinville business places, and only ticket holders will be admitted to the festivities.

The Legion Branch will hold Halloween Social in the form of a costume party and everyone is invited to join in the fun.

Mr. and Mrs. Albert Craig welcomed their first grand-daughter, Jaylene Michelle Pasey, daughter of Mr. and Mrs. Denis Pasey of Redwater. Chosen godparents aunt and uncle of the babe, Miss Connie and Mr. Vincent Craig of Morinville.

The Morinville Lions Figure Skating Club are having their general meeting and first and final registration November 2, 1972 at 7:30

John Hughes laid to rest

By Rose Martel

Father Primeau conducted funeral services on October 10, in St. John the Baptist R.C. Church, Morinville for John Francis Hughes, 21 of Morinville, who died, victim of a car accident on October 7. Interment followed in the local church cemetery.

Palbearers were Paul Krauskopf, Denis Leduc,

David Rockwell, Denis Rondeau, Leonard Perras and Arnold Himschoot.

He is survived by his father, Mr. Justin Hughes of Edmonton, and four sisters: Mrs. Anne Himschoot of Morinville, Mrs. Katherine Roy of Edmonton, Ellen and Mary Jane, at home, and his grandmother Mrs. Mary Loyer of Calgary.

Born in Edmonton, May 13, 1951, John began school in Devon, where his father was employed in the oil business. In 1959 the family moved to a farm in Vegreville district, where they stayed for four years. The Hughes family arrived in Morinville in 1963 and John continued his schooling in Morinville until grade 8. He took his grades 8 and 9 at the Seminary in St. Paul, and returned to finish high school in Morinville, graduating in 1968.

The family moved on an acreage in the district, where Mr. Hughes and John managed a small hog farm. In 1970 Mr. Hughes and family moved to Edmonton, and John began to work on the pipelines in Alberta and in the North. He continued in this line of work until a few weeks before his sudden demise, in a car accident, two miles south of Morinville, in the early morning of October 7.

At the time of his death he had been visiting at the home of his sister and brother-in-law, Mr. and Mrs. Garry Himschoot, helping them build a new porch on their mobile home, and getting acquainted with his one little niece, Sandra Himschoot in Morinville.

Assistant Home Ec. Eyeing Valley Post

Donna Mead of Edmonton, a graduate of the University of Alberta with a degree in Home Economics is nearing the end of her tenure with the Municipal District of Sturgeon and anticipates an appointment as district home economist in the Drayton Valley area.

DONNA MEAD

Miss Mead came to the municipality of Sturgeon and County of Lac Ste. Anne in

p.m. in the Morinville Recreation Centre. Parents or guardians must register children at this meeting. Fees are \$5 per child and \$1.25 for costume rental. The child will also need a season skating pass.

June of this year to serve her term of field training under the resident home economist Pat Prymak. During the ensuing months, besides assisting in the Sturgeon area, Miss Mead worked on short assignments in Leduc, Stony Plain, Wildwood and Edson where she acquired additional field training.

Miss Mead will have completed the required six-month field training period this coming December, at which time she expects to be assigned to her own district in the Drayton Valley region.

TOWN OF MORINVILLE Notice of Public Hearing

Public notice is hereby given that the Council of the Town of Morinville proposes to pass a by-law to amend By-law 1-72, being the Building, Development and Zoning By-law of the said Town.

The proposed By-law #10/72 will authorize the Council of the said Town of Morinville to amend By-law 1-72 as follows:

That the west half of Lot 12 and all of Lot 13, Block 5, Plan 7406 A.X. be rezoned from Residential - Single Family (R1) to Residential - Multiple Family (R3).

A copy of this By-law #10/72 may be examined in the Town office at all reasonable business hours.

A public meeting will be held in the Town Office at Morinville on the 31st day of October 1972 at 8 p.m. for the Council to consider any objections, recommendations, and/or complaints pertaining to these proposed amendments.

Dated October 5, 1972.

PAUL E. BROCHU,
Secretary-Manager.

THE SCHOOL ELECTION ACT (Section 43)

Nomination Oath STURGEON School Division No. 24

PUBLIC NOTICE is hereby given that I will attend at the School Division Office at Morinville, Alberta on Wednesday the 25th day of October, 1972, from TEN o'clock in the forenoon until TWELVE o'clock noon, for the purpose of receiving nomination of candidates for the office of trustee for Subdivision No. 3.

GIVEN under my hand at Morinville, Alberta this 12th day of October, 1972.

W. J. Kibblewhite,
Returning Officer.

Nomination Papers (Form 8) The School Election Act (Section 44) are available from the above named returning officer or at the Divisional Office.

\$25.00 cash or Certified Cheque deposit must accompany each nomination paper submitted.
